

UNIT 4: SUBTRACTION

Dear Parents/Guardians,

We learned to subtract within 10 using subtraction stories.

Enjoy making subtraction stories at home with your child!

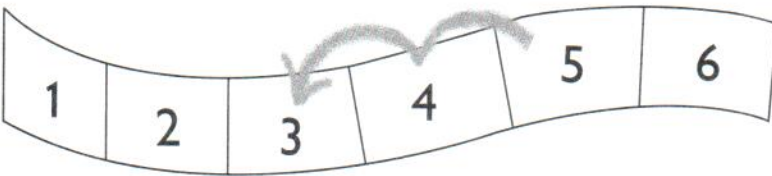

Subtraction means **taking away**.

This means **subtract**.

$7 - 5 = 2$ ← This is a
subtraction sentence.

Subtract 2 from 5.

KEY WORDS

subtract
subtraction story
subtraction sentence
count backwards

Begin with 5 and count
backwards: 4, 3

ACTIVITY 1

- Take 10 beans, and divide the number of beans between your hands without showing your child how many are in each hand.
- Tell your child you have 10 beans in all.
